after this date, to carry on in my own name
and on my own account the business of keeping and conducting a Hotel in all its branches
in said City of Tucson; and that the amount
of meany originally invested is said business
does not exceed five thousand dollars. That
from this date I will be individually respectable, in my own mane, for all debts contracted
by me on account of said business.

Dated at Tucson, this 23d day of November.
A. D. 1880.

Dated at Tucson, this 23d day of Nevember.
A. D. 1880.
Witness: D. F. Hodges.
LibUISA M. BROWN. [SRAL.]
Territory of Arizana, County of Plina, es.—
On this twenty third day of November. A. D.
one thousand eight handred and elepty, before
me. William J. Oschorn, a Natury Public in
and for the County of Plina, personally appeared Louisa M. Brown, whose name is subscribed to the mucacal instrument as the
party thereto, known to me to be the person deseribed in and who executed the said annexed
instrument as the party thereto, and who day
acknowledged in one that size executed the same freely and voluntarily, and for the uses and purposes therein written.

In wines whereof, I have become to seat, see my hand and affixed my official a distinct streak of good milling ore in the center, which is from 7 to 9 the unsuspecting setter some verses. cate first above is cutlomed.
WILLIAK J. OSBORN, Notary Public.

#### Mining Notice.

THIS IS TO CAUTION ALL PERSONS unitess from the modersignest and associates, localed in two locations of filteen handred field each, on May 21th, 1877, as the "Omega" mine, and the "Omega" mine dest Easterly extension, situated on Western iese of the Sama Rita Mountains, about their miles a little East of South from Preson. The recessary invital work required by law to bold mining claims as been done upon cache of those locations, rear by year, from date of location. On February 4th, 1877, one Virgin iscaled 1800 feet taking in part of each location, calling his location the "Gribraltar." Persons paramasing or intending to purchase the "Gibraliar, will do well to examine this, as myselfand associates claim to be the legal owners, and shall not part with our till unitess for a consideration until legal remedies are exhausted.

Fort Rowie, A. T., Nov. 12, 1889.

#### Probate Notice.

IN THE PROBATE CHURT, COUNTY of Pina, Territore e Aucona in the matter of the estate of S. C. Watpple, decreased. Notice is headly given that L. A. Whipple has filed with the Clerk of this Court a petition, praying for in the real estate of S. C. and that Monday, the 270 A. D. 1880, at 10 o clock Court room of said Court, in the City of Th son, in said County of Pilma, has been set for incaring said petition, when and where any person interested may appear and show cause why said petition should not be granted.

Dated at Tucson, A. T., November 29, 1880, M. GERVAIN, Clark.

#### Notice.

An Awful Squirt.

Blockhod Courier. A Rockland young man, until quite recently, was courting a fat girl at the North end, and had progressed very favorably with his suit. One evening last week he dressed up in his best lothes, carefully combed his hair and started out to make his tri-weekly visit to his fair one, who was waiting in the parlor window with fond affection in her heart and a cold in her head, superinduced by the fluctuating

weather. This was, as you might appears, moreover, that the fat girl's father -who is worth many thousand dollars in good, sensible bonds, and, as a consequence, is an object of the young man's tender regard-had for several nights previous been the victim of some unknown miscreant who had raided on his ben-pen with disastrons effect. Sick of such foolish ness, he had prepared a ghastly retribution for the fowl villains, and to this end had filled a big garden syringe with about a gallon of ancient beef trice, seasoned with garlie, and flavred with assafeetida, and was lying ambush behind a box, where he ould sweep every approach to the nemery. The young man, who is pretty well acquained with the whole inhily, thought he would surprise his The Democrat corrects an error in P. Tasker. They began dredging 30 girl by entering the house by the back way. This is the situation:

a is the hemnery; b is is the old man and e the syringe; d is the young man lightly turning to thoughts of love as well as the corner of the fence; and f is the fat girl sitting by the piano and inging "Father, dear father, come home;"gggg is the gathering darkness; the dots in the surrounding border may easily be construed as the scattered contents of the syringe after the explosion, and the asterisks in the cor-
